"A MESSAGE TO YOU"

We try very hard to live up to our motto, "HOME OF QUALITY GROWN PLANTS", and at the same time increase our quality which we have done this past year.

We want to thank each and every one of our customers for their fine patronage for, had it not been for you, we would not have been able to have the quality and quantity that we now have available.

We want to extend to you a cordial invitation to visit our nursery to select or to see the fine lot of liners and container grown stock that we now have to offer you.

We trust, that the sketch on opposite page will be of help to you in finding our nursery.

Most sincerely,

R. E. "Ed" Brown

SALES AND CONDITIONS

PRICES: The prices listed herein are for use by Nurseryman, Florist and Dealers only. They are based on quality of stock and current conditions. Prices subject to change without notice. This list cancels all previous price lists.

TERMS: Our regular terms are for cash, however we will gladly arrange for credit with those of known responsibility. All open accounts are due on or before the 10th of month following date of purchase. Discount for cash on orders of \$50 or more when picked up at our nursery.

CONDITIONS: We accept all orders subject to prior sale and all orders accepted on condition that they shall be void should stock become damaged in any way prior to shipping date.

SHIPPING & PACKING: We are not equipped for shipping plants larger than 4" pot size. All plants are put in paper cups, packed in specially designed boxes to pack the following quantities. 50-2½"; 36-3"; 16-4". Please order in multiples of the above sizes.

3. "HOME OF QUALITY GROWN PLANTS"

QUANTITY: Minimum quantities are as follows:

25-2½" pots of any one variety.

25-3" pots of any one variety.

10-1-Gal. can of any one variety.

5-5-Gal. can of any one variety.

Add 10c each for less than 10 1-Gal. can.

Add 25c each for less than 5 5-Gal. can.

Minimum orders, liners for shipping, 100 plants.

DELIVERY: We will arrange for split loads to other nurseries in your area. Minimum order for each stop \$50. Full load must amount to \$2.50 for each mile from our nursery to yours.

Minimum order to Jacksonville or Miami \$500. You are to furnish help for unloading.

GUARANTEE: The Goochland Nurseries, Inc., warrant to the extent of the purchase price that our nursery stock is sold true to name and as described within recognized tolerances. Seller gives no other or further warranty, express or implied, and will under no circumstances be liable for more than the invoice value at time of purchase.

ARBORVITAE Aurea Nana (Berkman's Golden)

Slow growing, dense and shaped like a pointed globe. Bright golden yellow.

2½" Pot20
1-Gal.75
2-Gal.	1.25
5-Gal.	1.75

ARBORVITAE Bakeri

A compact growing pyramidal Arborvitae. Foliage light green color. Better for hot, dry locations.

5-Gal.	1.75
--------	-------	------

ALLAMANDA Hendersoni. Tropical

A medium size shrub with leathery leaves and flowers about five inches across. Flowers of golden yellow all summer.

2½" Pot20
1-Gal.75
5-Gal.	1.75

5. "HOME OF QUALITY GROWN PLANTS"

ALLAMANDA Nerifolia (Bush Allamanda) **Tropical**

Rather narrow foliage. Flowers are deep yellow, tubular. Does well in partial shade. Semi-hardy.

2½" Pot20
1-Gal.65
5-Gal.	1.75

ALLAMANDA Violacea. Tropical

Purple Allamanda. Foliage rather rough. Flowers a beautiful shade of dusty rose deepening in the center. Prefers partial shade.

2½" Pot30
1-Gal.80

ALLAMANDA Dbl. Yellow. Tropical

Sport of Williamsii. Large to medium, shining dark green and willowy leaves. Lovely double yellow blossoms 3 to 4" across. Grows well in both shade and sun.

2½" Pot35
---------	-------	-----

ARALIA Elegantissima. Tropical

Delicate filiform leaves, dark green above and chocolate colored beneath. Rather tall and upright.

2½" Pot20
1-Gal.	1.00

ARALIA Sieboldii (Fatsia Japonica) Sub-Tropical

Dwarf growing shrub with deep green shiny foliage. Partial shade.

1-Gal.	1.00
--------	-------	------

AUSTRALIAN PINE (Cunninghamiana) Hardy

Almost identical with the rest of the species. Useful as a windbreak

2½" Pot17½
5-Gal.	1.50

BIGNONIA VENUSTA (Flame Vine) Tropical

Foliage medium to large, light green and pointed. Flowers in late winter and early spring. Clusters of orange-red tubular blooms.

2½" Pot20
1-Gal.	1.00
5-Gal.	2.00

BOUGAINVILLEA

The most brilliant and popular flowering vines for south Florida. Write for varieties available.

2½" Pot20
1-Gal.75

7. "HOME OF QUALITY GROWN PLANTS"

BUXUS Harlandi (Boxwood) Very hardy

Dark green, narrow leaved, compact, slow grower.

2½" Pot18
1-Gal.65

BUXUS Japonica (Boxwood) Hardy

Low evergreen compact shrub. Small bright green foliage. Ideal for hedge planting.

2½" Pot18
1-Gal.65

CALLIANDRA Pink (Powder Puff)
Tropical Shrub

Bright pink stamens shaped like powder puffs. Graceful, feathery foliage. Very willowy branches.

2½" Pot20
1-Gal.75

CALLIANDRA Red (Powder Puff)
Tropical Shrub

Somewhat larger foliage, branches more rigidus than the above.

2½" Pot20
1-Gal.65
5-Gal.	1.75

CALLIANDRA White (Powder Puff) Tropical

Foliage somewhat larger and lighter in color than that of the red or white puffs.

1-Gal.	1.00
5-Gal.	2.00

CALLISTEMON Citrinus (Weeping Bottle Brush) Hardy

Small growing tree with willow like branches. Produces mass of bright red flowers.

2½" Pot20
---------	-------	-----

CALLISTEMON Lanceolata (Bottle Brush) Hardy

Same as above except for stiffer branches and larger leaves. Produces mass of bright red flowers.

2½" Pot20
5-Gal.	2.50

CALLISTEMON Rigidus (Bottle Brush) Hardy

More rigid than above. Tall, bushy shrub rather than tree. Bright red flowers.

2½" Pot20
5-Gal.	2.50

9. "HOME OF QUALITY GROWN PLANTS"

CALLITRIS Robusta. Hardy

Tall, slender growing evergreen. Foliage resembling pines. Does well in Southeastern states.

2½" Pot18
1-Gal.	1.00

CARISSA Grandiflora. Tropical

Foliage medium to large, dark green and shining. Flowers waxy white, very fragrant. Brilliant red fruit ripening in summer.

2½" Pot18
1-Gal.75

CEDRUS DEODARA

One of the finest large Conifers for the Southeast. Tall spreading pyramidal tree of fine silvery gray-green foliage.

1-Gal.75
5-Gal.	2.50

CHALCAS (Orange Jasmine) Tropical

Foliage is small, very shining and a bright green. Flowers about the size of an orange blossom. White and very fragrant.

2½" Pot20
1-Gal75

CITRUS, Own Root**Calamondin**

2½" Pot20

11. "HOME OF QUALITY GROWN PLANTS"

CONFEDERATE *Jasminum*. Hardy

A splendid hardy vine of dark green, waxy, medium size leaves. Star shaped, pure white clusters, flowers in early spring.

2 1/2" Pot20
1-Gal.	1.00

CORNUS *Floridum* (White Dogwood)

Small tree with deciduous leaves. Small white or greenish-white flowers.

1-Gal.75
5-Gal.	2.50

COTONEASTER *Horizontalis*

Low spreading semi-evergreen shrub. Small round leaves, pinkish flowers in spring followed by bright red berries in fall.

2 1/2" Pot18
1-Gal.75

CROTONS. Tropical

Very tender. Leaves, wide range of color and variation.

2 1/2" Pot22 1/2
4" Pot50
1-Gal.	1.00

CUPHEA Hyssopifolia. Tropical

Splendid for low borders and hedges.
Foliage small. Tiny lavender flowers
everblooming. Prefers partial shade.

2½" Pot15
Qt.30
1-Gal.50

CUPHEA Hyssopifolia Red

Seedling from the above with brighter
green foliage. Wine-red blossoms. Very
showy. Hardier.

2½" Pot18
Qt.35
1-Gal.55

**FICUS Nitida. Indian or Cuban Laurel.
Tropical**

Small laurel-like dark green leaves.
Tall, upright in growth and spreading.
Fairly hardy.

2½" Pot18
1-Gal.	1.00
5-Gal.	2.50

FICUS Pandurata (Banjo Fig) Tropical

Extremely large and long leaves. Very
good for pot or tub culture.
(Mosses 75c when available)

1-Gal.	1.50
5-Gal.	4.50

13. "HOME OF QUALITY GROWN PLANTS"

FICUS Phillipinsis. Tropical

Drooping branches with graceful narrow leaves with long tips.

2½" Pot18
1-Gal.	1.00
5-Gal.	2.50

FICUS Rubiginosa. Tropical

Compact shrub or tree of medium size. Leaves dark rich green above and brownish underneath.

2½" Pot20
1-Gal.	1.00

A block of many varieties of
GARDENIAS
grafted on Thunbergia root stock.

GARDENIAS. Sub-Tropical to hardy.

We only grow Gardenias Grafted on Thunbergia root stock. Varieties listed below.

4" Pot75
1-Gal.	1.25
5-Gal.	2.50

G. Belmont

An old variety. Compact, medium size white flower. Mid-season bloom. Foliage somewhat larger than Veitchii.

G. Coral Gables

A new variety. Flowers very large showing no stamens. Blooms throughout summer. Foliage very large and dark green. Compact.

G. Glazeri

Tall growing, foliage large, light green in color. Very large flowers. Early bloomer.

G. Perfection

Foliage similar but somewhat smaller than the Belmont, rounded at ends of leaves. Late bloomer. Large white flowers showing no stamens.

G. Radicans

Miniature Gardenia having very small glossy leaves, very small white fragrant flowers. Blooms in late spring and early summer.

G. U. S. No. 1

Somewhat identical to Glazeri. Foliage somewhat darker. Flowers very large. Blooms early.

G. Veitchii

Compact growing dwarf form of the Gardenia family. Hardest type. Free blooming flowers.

GORDONIA (Bay Tree). Hardy

Leaves are green above with silvery under-surface. The Flowers are large, snowy white, blooming during the spring months.

2½" Pot20
1-Gal.75
5-Gal.	1.75

GREVELLIA Robusta (Silk Oak)**Sub-Tropical**

Beautiful fern-like foliage, dark green above and silvery underneath. Orange-yellow flowers.

2½" Pot18
1-Gal.60
5-Gal.	1.75

17. "HOME OF QUALITY GROWN PLANTS"

GUAVA Red Cattleya. Semi-hardy.

Evergreen, compact shrub. Produces red edible fruit.

2½" Pot16
1-Gal.60

HYDRANGEA

Semi-deciduous flowering shrub with huge heads of pink or blue flowers appearing above leaves. Demands semi-shade.

2½" Pot20
1-Gal.75

ILEX Crenata Helleri

Dwarf growing type of Holly. Excellent for hedge. Small leaves and compact type of growth.

2½" Pot20
1-Gal.	1.00

ILEX East Palatka (Fla. Holly)

Leaves light green. Bright red berries. Compact and fast grower.

1-Gal.	1.00
5-Gal.	2.50

ILEX Fosteri

Medium grower. Very compact, small shiny green leaves and very spiny. A good fruiter.

2½" Pot20
1-Gal.	1.00
5-Gal.	2.50

ILEX Rotunda. Semi-hardy.

Roundish dark green leaves of compact growth. Excellent for small shade tree.

5-Gal.	2.50
--------	-------	------

ILEX Vomitoria (Dwarf)

Compact. Shiny slightly spined leaves and refined, low growth. Desirable in planters and ground covers.

2½" Pot20
---------	-------	-----

1-Gal.	1.00
--------	-------	------

IXORA Chinensis

Very low, compact growing, with orange-red blossoms. Does better in semi- or full shade. Ideal for planter boxes.

2½" Pot25
---------	-------	-----

IXORA Coccinea (Flame of the Woods)

Tropical handsome evergreen shrub with large dark green foliage. Clusters of brilliant red star shaped flowers on slender tubes.

½" Pot20
--------	-------	-----

1-Gal.75
--------	-------	-----

5-Gal.	1.75
--------	-------	------

19. "HOME OF QUALITY GROWN PLANTS"

IXORA Roseum

A new variety. Seems to be a good grower and a good coral pink flower. Apparently free bloomer.

2½" Pot 1.00

IXORA Super King

Named by size of leaf and flowers as the leaves and flowers are extra large. Very slow grower due to extra heavy flowering. Flowers in extra large clusters.

2½" Pot35

JACARANDA

Large evergreen tree with large fern-like light green leaves. Clusters of bigonia-like lavender-blue flowers.

2½" Pot18

1-Gal.60

5-Gal. 1.75

JASMINUM Dainty

A seedling found in our own nursery. Medium grower somewhat upright but very compact. Leaves about one-third size of Illicifolium and a lighter green foliage. Flowers of pure white and continuous bloomer.

2½" Pot20

1-Gal.75

5-Gal. 1.75

JASMINUM Illicifolium. Sub-Tropical

Very shiny somewhat pointed foliage, and terminal rather open clusters of large fragrant white flowers.

2½" Pot18
1-Gal.65
5-Gal.	1.75

JASMINUM Pubescens. Sub-Tropical

Evergreen shrub, flowers white. Fine for foundation planting.

2½" Pot18
1-Gal.65
5-Gal.	1.75

JASMINUM Robusta

A seedling found in our nursery. Practically same habit of growth as Illicifolium. Foliage lighter in color, flowers pure white. Good bloomer.

2½" Pot20
1-Gal.75
5-Gal.	1.75

JASMINUM Simplicifolium. Sub-Tropical

Bushy and thick in growth. May be used as a low hedge or for base plantings. Flowers white.

2½" Pot18
1-Gal.75
5-Gal.	1.75

JASMINUM Simplicifolium Variegated

Similar to Simplicifolium, showing more variegation in foliage.

2½" Pot20
1-Gal.75
5-Gal.	2.00

JUNIPER Conferta (Shore Juniper)

A very prostrate growing evergreen. Attractive light green foliage. Excellent for ground covers or planters.

2½" Pot20
1-Gal.75
5-Gal.	1.75

JUNIPER Hetzi

Similar to Pfitzeri Juniper with more bluish color and more upright grower.

2½" Pot20
1-Gal.75
5-Gal.	1.75

JUNIPER Pfitzeri

A bushy wide spreading shrub with horizontal branches of bluish-green foliage. Very hardy.

2½" Pot20
1-Gal.75
5-Gal.	1.75

JUNIPER Virginiana (Red Cedar)

Narrow pyramidal, dense, steel-blue foliage. Hardy.

1-Gal.75
5-Gal.	2.25

KOELREUTERIA (Golden Rain Tree)

Semi-deciduous tree attaining the height of about 30'. Produces bright yellow flowers in late summer.

2½" Pot18
1-Gal.60

LAGERSTROEMIA (Crape Myrtle)

William Tovey (Red)

Vigorous upright growth, hardy and deciduous. Rose-red flowers.

2½" Pot18
5-Gal.	1.75

Aerial view of GOOCHLAND NURSERIES, INC. — "HOME OF QUALITY GROWN PLANTS"

2 MILES NORTH OF FORT MEADE ON U. S. HIGHWAY 17 PEMBROKE, FLORIDA

LANTANA Florida Yellow

Foliage very much like that of Sellowiana. Rich yellow flowers blooming most of the year.

2½" Pot20
1-Gal.75

LANTANA Sellowiana (Trailing)

Low spreading evergreen shrub with deep green leathery leaves. Lavender-pink flowers most of the year.

2½" Pot17½
1-Gal.65

LIGUSTRUM Lucidum. Hardy

Wax privet. Broadleaved evergreen shrub. Dark green shining leaves.

2½" Pot18
1-Gal.60

LIGUSTRUM Texanum Variegata

Excellent compact shrub with deep green foliage margined with gold. Very vigorous and attractive.

1-Gal.75
--------	-------	-----

LONICERA Yunnanensis

Low spreading evergreen with handsome deep green foliage. Fine for ground covers or planters.

2½" Pot18
1-Gal.65

27. "HOME OF QUALITY GROWN PLANTS"

MAGNOLIA Grandiflora

Medium size evergreen tree with large deep green glossy leaves and immense lily-like fragrant white flowers.

1-Gal.75
5-Gal.	2.50

MAGNOLIA Grandiflora Grafted

Description same as above except wood came from good blooming trees which produces bloom when young.

1-Gal.	1.50
5-Gal.	3.50

MALPIGHIA Coccigera. Tropical

Dwarf Holly. Shiny holly-like foliage. Seldom reaches a height of more than two feet. Small, light pink flowers.

2½" Pot18
Qt.40
1-Gal.75

MALPIGHIA Coccigera Prostrate

Same as above. One we found growing very prostrate along side of an upright grower.

2½" Pot25
Qt.50

MALPIGHIA Lowboy

Evidently a cross as it has no spines but good green color and very prostrate growing.

2½" Pot25
Qt.50

MELALEUCA (Punk) Sub-Tropical

A slender tree of medium height with willowy branches and narrow gray-green foliage. Creamy white flowers. The bark is soft, silvery white, rather cork-like.

1-Gal.50
5-Gal.	1.50

NOLINA. Hardy

Dracaena like leaves. Sometimes called "Pony Tail". Excellent for patio or formal garden.

2½" Pot25
---------------	-----

OLEANDER Cardinal

Large growing evergreen shrub with long narrow dark green leaves. Clusters of Cardinal Red flowers.

2½" Pot18
1-Gal.65

OLEANDER DR. GOLFIN

Large single flower, bright cerise red.
Very heavy bloomer.

2½" Pot18
1-Gal.65

OLEANDER Dbl. Pink

Large double pink flowers. Very heavy
bloomer.

2½" Pot18
1-Gal.65

OLEANDER Single Pink

Large single pink flowers. Very heavy
large bloomer.

2½" Pot18
1-Gal.65

OLEANDER Single White

2½" Pot18
1-Gal.65

OLEANDER Double Yellow

A very choice variety of unusual color.

2½" Pot20
1-Gal.75

PALM Areca. Tropical

Slender ringed trunks and graceful curving foliage. Prefers moist soil and somewhat shaded location. Very good for house culture.

1-Gal. 1.00

**PALM Cocos Plumosa (Queen Palm)
Sub-Tropical**

Particularly adapted to high, well drained sections of the state. The trunk is more slender than the Royal Palm but the head of foliage more graceful and plummy.

5-Gal. 1.50

PALM Fishtail. Tropical

Very good for pot or tub culture.

7-Gal. Specimen Plants .. 6.50

PALM Livistona (Chinese Fan) Hardy

Rather slow growing. Large handsome fan leaves. Recommended for partially shaded locations.

1-Gal. 1.00

5-Gal. 2.00

PALM Neanthe Bella

Very dwarf growing plam more suited for pot culture as it requires shade.

1-Gal. 1.50

PALM Phoenix Roebeleni. Pigmy Date.
Sub-Tropical

A dwarf species suited for pot and tub culture. Foliage fern-like. Thrives equally well in either sun or shade.

2½" Pot20
1-Qt.40
1-Gal.75
5-Gal.	2.00

PARKINSONIA

A very good, small deciduous tree for hot dry places. In early summer it becomes a mass of small bright yellow flowers.

2½" Pot20
---------	-------	-----

PENTAS Celestial Rose. Tropical

Rather dwarf shrub, compact grower, almost continually in bloom. Flowers in small clusters.

2½" Pot17½
---------	-------	------

PENTAS Coral Pink. Tropical

2½" Pot17½
---------	-------	------

PENTAS Vivid. Tropical

2½" Pot17½
---------	-------	------

PENTAS White. Tropical

2½" Pot17½
---------	-------	------

PHAUIS GRANDIFLORA (Nunn Orchid)

1-Gal.	3.00
--------	-------	------

PHILODENDRON Self Heading

Good for pots, tubs and landscape work. Assorted varieties.

1-Gal.	1.25
--------	-------	------

5-Gal.	3.50
--------	-------	------

PITTOSPORUM Tobira

Evergreen shrub with long shiny green leaves. Fragrant white flowers.

2½" Pot18
---------	-------	-----

PITTOSPORUM Tobira Variegata

Similar to Tobira but dwarfer in growing habit. Foliage is a combination of light green and white variegated leaves.

2½" Pot20
---------	-------	-----

POINCIANA. Tropical

Pinnate-leaved tree. Rapid in growth forming a beautiful umbrella shaped top. Large brilliant scarlet flowers in early summer.

5-Gal.	1.75
--------	-------	------

PLUMBAGO Blue

Semi-climbing shrub producing clusters of blue flowers during the summer. Evergreen

2½" Pot20
1-Gal.75

PODOCARPUS Maki

A tall compact growing evergreen shrub, with very narrow leaves.

2½" Pot20
1-Gal.75
5-Gal.	2.25 Up

PODOCARPUS Reasoneri

Same as above except leaves are much larger.

2½" Pot20
1-Gal.	1.00

POMEGRANATE (Dwarf

Compact shrub, producing single red flowers and fruits.

2½" Pot18
---------	-------	-----

PORTULACA

Spready growing succulent plant. Flowers rose, red, yellow, white.

Qt.30
-----	-------	-----

ROSE Louis Philippe

Foliage dark and glossy, compact and vigorous. Everblooming flowers of deep red.

2½" Pot20
1-Gal.75

ROSE Roulette

Miniature rose with small rose-pink flowers. Excellent for rock gardens or small pot planting.

2½" Pot20
1-Gal.75

ROSES

We have a good variety of these in Hybrids, Teas and Floribundas. Write for list and prices.

SCHEFFLERA. Tropical

Shrub with leaves seven inches long and two inches wide. Good for tub or patio.

1-Gal.	1.00
5-Gal.	2.50

SANTOLINA

Distinctively small gray foliage used for border. Foliage is aromatic. Hardy.

1-Gal.75
--------	-------	-----

SEAGRAPE

Tree or shrub having large red veined leathery leaves, white flowers and purple fruits in grape-like clusters.

1-Gal.75
--------	-------	-----

THRYALLIS Glauca. Tropical

Foliage small, rounded, light green. Brilliant clusters of yellow flowers.

2½" Pot18
1-Gal.75

THUNBERGIA ERECTA. Tropical

Dark green, rather small pointed foliage. Thrives well in sun or shade. Medium size flowers of deep purple with yellow throat.

2½" Pot18
1-Gal.60

THUNBERGIA Grandiflora (Blue Sky Vine)

Twining evergreen vine. Large sky-blue trumpet shaped flowers with white throat.

2½" Pot20
1-Gal.	1.00

TIBOUCHINA Semidecandra (Pleroma) **Tropical**

Leaves large, deeply veined, velvety, rather pointed. Flowers large, rich violet purple. Blooms all summer and fall.

2½" Pot18
1-Gal.75

TIBOUCHINA Tree (Princess Flower Tree)

Shrub or small tree with very leathery shiny leaves. Profuse bloomer in summer. Violet purple flowers.

2½" Pot25
1-Gal.	1.00
5-Gal.	2.50

TRADESCANTIA Purpea. Tropical

Beni-K—Dbl. crimson flowers.

Cleopatra—Rose pink semi-dbl.

Day Dream—White with pink edge.

Pink Snow—Large semi-dbl. pink.

Usu-Beni—Soft pink.

39. "HOME OF QUALITY GROWN PLANTS"

HIBISCUS

We try to keep in stock a good assortment of varieties on their own root and grafted in liners and gallon cans.

Own Root—2½" pots — .20 to .25 — Minimum order 50 plants — 10 of one variety.

Own Root—Gal. can — .60 to .75 each.

Own Root—Single Scarlet — 5-Gal. can — \$1.60.

HIBISCUS Cont'd.

Grafted Stock in 3" pots — .50 each. Minimum order 72 plants — 6 of one variety.

Grafted gallon can — \$1.00 each. Not less than 5 of one variety.

We are unable to keep a complete list of Hibiscus, therefore we ask that you write for list of varieties available. We will be glad to book your order for grafts in 3" pots.

AZALEAS

We grow all our Azaleas in containers as we find that this is a more convenient way for you and your customers to handle the plants. We offer now the following varieties of Indicas.

Brilliant (Red)
Coccinea Major (Orange-red)
Duc de Rohan (Salmon Pink)
Fielder's White (Large White)
Fisher's Pink (Rose-pink)
Formosa (Large Lavender)
George Franc (Large Salmon-pink)
Glory of Sunninghill (Orange-red)
Judge Solomon (Watermelon pink)
Magnolia White (Large White)
Moss Point Red (Watermelon-red)
Mrs. G. G. Gebring (Large White))
Normelle Red (Watermelon-red)
